- Syllabus completion – Syllabus was completed on time and revision was conducted. The University examination of student teachers will be tentatively scheduled in the second week of February.
- Practice teaching – Online practice teaching sessions were conducted during internship and will be continued in most of the schools. These online sessions are due to continued Covid Restrictions and precautionary steps in Schools.
- Examination – Some students did not attend essay and class test and hence retest dates had to be allotted. Regarding assignments it was noticed that some students did not submit their assignments on time and hence necessary actions were taken.

Regarding conduct of community work and practice teaching

Practice teaching will be continued online, however **MMADSTT College** is going to start offline classes. Permission from the practice teaching schools for Semester 4 must be sought, list of students to be submitted to the respective schools. Student teachers must complete 4 weeks of internship which also includes community work. They must take 10 lessons (the breakup of lessons will be given). Lessons must be duly guided by the method masters, supervised and feedback given.

Community work is an integral part of the B.Ed. curriculum. Due to the Covid restrictions, student teachers cannot physically go to the community centres therefore the student teachers will make presentations to create awareness and literacy on social issues. Teacher educators will find out the ways to disseminate information/ create awareness.

Regarding online guidance for action research and M.Ed. dissertation

The action research schedule will be given to the students after they are grouped under their research guides. The students will have to collect data from their internship schools using the Google forms. The guides must give the student guidance and meet them at least once a week on Google meet.

M.Ed. dissertation schedule will be shared with the students as well as their guides. The guides must meet their students from time to time for timely guidance.

The access to library is opened for student teacher, teacher educators are requested to scan the textual material and post it in the G-Classroom. The notes should be uploaded in the word docs/pdf/ PPTs in G-Classroom. Extra reading material should also be provided in the form of links, audio, and video for better understanding.

Other Main issues discussed, and their action taken are as followed –

- Online Placements – The placements for this academic session will also be done online due to continued Covid precautions. The in-charge should contact the HR dept. of the Schools and Colleges and schedule online interviews. Before the placement drive starts, student should be trained for preparing a resume and for appearing for interviews.
- Conducting Co-Curricular Activity for Semester I students – CCA is a part of the Semester I B.Ed. course. This activity will be either done using the hybrid mode or online mode based on the assessment of the situation. Student group must be formed, and they should be assigned various important days of international importance for celebration. They could meet online or offline and present the culture of that state on a scheduled day.
- Practice teaching: Semester 4 internship will continue through the online mode in most of the schools. These online sessions are due to continued Covid Restrictions and precautionary steps in Schools.

Only **MMADSTT College** decided to start offline classes. Student teachers were informed about the same accordingly.
